G.A.A.

THE motto of the G.A.A. is "A sport for every girl and every girl in a sport." In order to accomplish this the girls can choose from such clubs as archery, basketball, softball, volleyball, riding, bowling, swimming, ping-pong, modern dance, and hockey. Every girl belongs to the G.A.A., but the G.A.A. Council is made up of the managers of each sports club and the officers of the G.A.A. who are elected by the girls. During the year different groups attend playdays and tournaments with other schools. The girls' greatest project is the Girls' Show held annually. The proceeds provide money for the girls to buy extra equipment and to carry on the clubs.

PASSAIC Valley's football team did not come up to early season's expectations, as the Hornets won only three games, lost four, and tied two. The Brownleemen, though not faring so well in the win column, were noted for their clean and spirited play.

Many honors were awarded to Valley players: Bob Fischer was selected for first team on both All-State and All-Metropolitan squads. Wyn Kornreich was selected as honorable mention for All-State honors. Captain Al Balkin, Ed Molteni, and Russ Gilchrist, along with Fischer and Kornreich, were selected on the All-Suburban teams.
