William D. Ruckelshaus, prefer resign rather than dismiss Mr. Bork. Their resignations left Mr. Bork, Lictor General, as the highest official in the Justice Department.

Attorney General William Smith confirmed in a telephone view today that Mr. Bork was one of several people who "certainly would be looked at in the event of another vacancy" on the Supreme Court.

Mr. Smith praised Mr. Bork's one Lockheed Corporation announced today that it had decided to halt production of its L-1011 Tristar jumbo jet.

The company said it will write off losses of \$400 million on the L-1011 program.

Lockheed was hoping to sell 13 years ago in a transaction with Rolls-Royce. While Lockheed was hoping to sell commercial airliner, the program was abandoned.

In today's market, a lack of confidence in the project and a drop in the aircraft market have led to the L-1011's now on order worth \$1 billion.

Federal deficits has led some economists and legislators to brandish a new debt-paying tool: the value-added tax. They should wield it with care, however, for such a tax would reap needed revenues only by undercutting economic fairness and growth.

The value-added tax, or VAT as it is customarily known, is a familiar retail sales tax that the Government levies on goods and services through the point of sale.

to think that such a plan could Federal budget deficit climb to record \$109 billion in the 1982 fiscal year. The estimates also project a \$152 billion increase in the 1983 fiscal year and a \$162 billion increase in the 1984 fiscal year.

Treasury officials said today that Treasury Secretary was continuing to go ahead with \$22 billion in increases in 1983 and 1984.

Stanley N. Lupkin, New York City Commissioner of Investigation, said yesterday he would not exclude the possibility that other transit officials might be involved.

well International produced the undercarriage for the aircraft. Helms and other senators, and Zimbabwe's attempt to slash \$75 million for luxuries could ease the value-added tax's regressive sting.

for Jim Hunt himself. Whether to take the right wing's hero, Senator Orrin Hatch, in what would surely be one of the fiercest political battles — and the fiercest — in this state where the housing slump has caused major revenue losses.

of hunger and poverty. "There is a movement starting again around the issues of disarmament and the environment," said Joan Campbell, director of the National Council for the Churches.

new activism is centered among liberals and moderates, and it contrasts with the conservatism of the Reagan administration. Bork, a prominent conservative legal scholar and former Solicitor General, has been nominated by President Reagan to be a judge on the Federal appeals court here.

The move, announced by the White House today, makes Mr. Bork the most prominent and conspicuous candidate for the Federal appeals court.

However, its appeal fades in prevailing politics, which would make the costly bureaucracy need a minister a refundable credit. Congress would more likely institute a value-added tax with a simpler, non-refundable credit: a package that would be more likely to pass.

RY CLASS HISTORY CLASS HISTORY SCHOOL LIFE SCHOOL LIFE SCHOOL LIFE SCHOOL LIFE SCHOOL LIFE S

Souvenirs: a keepsake, a memory, a fragment of time . . . Endless moments of laughter and happiness . . . A part of our lives has ended-only to begin again . . .

Most of us were amazed at the size of our newly found school, not to mention the size of upper classmen. So many new faces-many new friends. Having our first taste of caf food- "But why can't we just buy french fries ALONE???" Fire drills became so common we thought it was part of our daily schedule- only to be followed by an extended school day and an eighth period protest. "Anyone want to buy a key to the elavator?" The endless campaigning of raising funds began with a car wash and an unforgettable (?) dance. We took our first step.

Before anyone knew it, Sophomore year rolled in with the cancellation of the first day due to Hurricane David. Storm winds hardly subsided with the establishment of a new cut policy and detention halls. Sgobe began his reign as president. We continued our efforts at fund raising-this time by selling chocolate bunnies. "Hey- where did all the guys get those lawn mower hair cuts?" PV's football team won the State Championship at the Meadowlands; the softball team won the county title and State Sections. The U.S. Hockey Team struck gold and restored our national pride which was suddenly stripped by the seizure and captivity of 52 Americans in Iran. Skylab fell. Disco made its way to the airwaves- only to be ridiculed by those die-hard rock fans. Willowbrook employed half of PV. We passed driver's ed and behind the wheel with minor difficulties- running up curbs, swaying to the left. We're half way there.

Junior year began with an ending- Girls' Show was cancelled after four decades of tradition. Disco dies, New Wave is in- punk glasses, hair cuts and whipping it to Devo. Our Cotillion was 'one in a million' at the Richfield Regency. Alligators became as much a part of our wardrobe as designer jeans and cowboy boots. PV won the State Championship for the second time. Sadness and anger struck our hearts as John Lennon, a man who believed in love and peace, was murdered in a senseless act of violence. Mt. St. Helen erupted. The PV band finally caught up with time and won the E.M.B.A. ANOTHER bunny sale???. The Wrestling team enjoyed their best season ever. We passed our driver's tests- or at least some of us did. Our first attempt at SAT's- those dots are enough to drive anyone crazy. Rumor has it- we may have a senior parking lot. JUST rumors.

Senior year- the hallways grew smaller along with the size of the Freshmen. More new rules: You're not allowed on school property, or off of it; wooden passes; halls patrolled by inquiring teachers; only ten absences; absolutely NO schedule changes- "But I have a class ninth period!!!" Our Senior play, "Runaways", was performed with great success. The SGA faded away. Great times at football games and Saturday night parties. "Keep off- Unsafe"- PV's bleachers were condemned. All home games were played at Montclair State. Many fans were upset by the long, drawn out baseball strike. Burger King lunches replaced caf food, but weren't much better. SELL BOOSTERS!!! Confusion set in as we sorted through tons of college applications. SAT's again???. Having a Christmas party for the orphans. Senior prom at the Sheraton. Let's hit the beach!!! Graduation Day . . . fragments of our dreams, smiles, and laughter will always be found among our souvenirs.

Class Advisors

I look back over the past four years remembering fondly how you have grown and matured. I remember the agony and ecstasy of your frosh magazine drive and the hundreds of weepils, key chains, and swing-a-lings; your two fantastically successful chocolate bunny sales and being inundated by the bunnies when they arrived for distribution; your freshman record dance with Joe Barbarino vocalist; and your gala Junior Cotillion.

It has been my pleasure to work with you and the enthusiastic and capable class officers you elected each of the four years. Now I am looking ahead to your Senior Prom, graduation and beyond. My wishes for a happy and successful future go with each of you.

Virginia O'Brien

The Class of '82 has been a very special part of my first four years at P.V. I will never forget the uncertainty of freshman year (will anyone ever find 248 A?), the nights we froze at the Meadowlands, endless streams of fund raisers, 8 AM SAT's, fire drills in the snow, Jr. Cotillion, and finally graduation day. TA 093 will never be quite the same. I have had the pleasure of watching you grow and mature. Now it is with some sadness and much pride that I watch you leave this school as adults. I have enjoyed working with all of you and learning from each of you. These last four years will always be remembered as a very special time in my life.

Coach Joe Biscaha

Joe Biscaha has finished his ninth year as head coach at Passaic Valley High School. Over the years he has compiled an impressive record of 72 wins, 17 losses and 2 ties. He has guided his teams to the playoffs five times and has helped PV earn three state titles.

At the conclusion of the 1975 season, Joe was named Coach-Of-The-Year by *The Star Ledger*. In 1979, he was named Coach-Of-The-Year by *The Paterson News*. He was also selected as *The Daily News Morris-Passaic County* Coach-Of-The-Year.

With only twelve returning lettermen from last year's team, the enthusiastic Hornets were determined to improve themselves during the pre-season. On their return from camp, the 1981 Hornets were one of the strongest and best-conditioned teams ever to wear Passaic Valley uniforms.

But the season's first game was an omen of what was in store for Passaic Valley this year. The Hornets played an aggressive but mistake-filled game against the Comets of Hackensack. Opening day jitters proved fatal as the stunned Hornets fell short, 7-0.

Week two found the angered Passaic Valley team seeking revenge. The victim was Bloomfield, and the "reborn" Hornet squad was back on its feet. A 44-0 victory brought the Hornets some greatly-needed self-confidence.

That confidence carried over to the next week when the Hornets met a strong Ridgewood team. Battling for the lead the entire game, Passaic Valley proved to be dominant and prevailed, 28-20.

The following week was the most satisfying and one of the most important victories of the season. This particular Hornet squad had fallen prey to the Clifton Mustangs in their freshmen, sophomore, and junior years. The Hornets were determined to make the senior year victory theirs. When they met P.V., the Mustangs were undefeated and unscored upon, and thought they were going to leave the same. But P.V. had other ideas. Every Hornet played an exceptional and hard-hitting game, enabling them to come away with a 10-0 victory.

The Hornets kept rolling right along as they went to Fairlawn to meet the Cutters. P.V. was victorious, 20-0. The defense chalked up their third shutout.

In week six, the Hornets traveled to Teaneck to face the undefeated Highwaymen. P.V. played a tough game but just couldn't pull through with the victory. A Teaneck "Hail Mary" pass proved to be decisive as the Hornets fell to a 21-14 loss.

With a 4-2 record, the Hornets knew they had to win their next two games and do their share of praying if they wanted to get into the playoff.

The Hornets had to take their aggressions out on somebody. It was unfortunate for the Paramus team that it was next on the schedule. In a game where two school records were broken, P.V. proved themselves to be a team with championship caliber. The Hornets bounced back from the previous week's loss to defeat the Spartans, 48-13.

P.V. needed just one more win to be in contention for the playoffs. That all-important victory had to come against Bergenfield. The word "We win, we're in" echoed in the minds of all Hornets as they stuck it to the Bears, 34-13.

With the help of results in other area games during the previous two weeks, the Hornets heard the good news: they were in the playoffs. That made it the fourth year in a row that Coach Biscaha lead his team to the playoffs!

With six wins under their belt now, the Hornets felt confident that they were ready for the semifinals. The team traveled to Passaic where it met the undefeated Indians. In the first half, the Hornets were unable to capitalize on a number of Indian mistakes. Going into the locker room at half-time, P.V. trailed by a slim 13-7 margin. The Hornets came out hitting hard in the second half, but made too many mistakes — mistakes which an excellent Passaic team took advantage of. Passaic Valley's dreams for another state title were shattered.

The Hornets' last game of the season was on Thanksgiving Day against West Milford. It was the first time these two teams clashed and P.V. wanted their opponent to remember it. The Hornets racked up a 34-13 victory in their last game wearing Passaic Valley uniforms.

All in all, the Hornets had a lot to be thankful for that Thanksgiving Day — and A LOT to be proud of!!!

While competing in 5 sanctioned Eastern Marching Band Associates Competitions this Fall, the 1981 Passaic Valley Marching Band has captured 12 awards including trophies for Best Overall Band among 12 at Oldridge Township's "Salute to America," Best Music and Best Percussion in class and overall.

Along with 2 first place, 2 second place, and 7 other special achievement awards won during the 1980 season, the band prides itself in entertainment. "Performing for the People."

The 1981 program brings about a true change in style, both musically and visually. The "total show concept," has evolved due to the marriage of "visual design," and choreography to musical variety. The first example of this comes with the beautifully staged "Irish Gigue," during the opening selection, "Crown Imperial."

The percussion section then takes command featuring the exciting and rhythmically complex "In the Mood," which is an appropriate prelude to the concert selection "My Favorite Things," from "The Sound of Music." The easy recognition of this swinging melody makes delightful listening, as you watch the accompanying choreography and flag work.

The band next moves into its patriotic presentation of colors entitled "Civil War Suite." The opening drill formation depicts the eastern seaboard of the United States, while the "North" and "South" are designated by the letters "N" and "S" within.

The fast changing melodies in this spirited medley, are accompanied by a creative marching routine, highlighting each musical nuance. The conclusion of this medley, is the ever popular, "Battle Hymn of the Republic," which is presented in the formation of a peace sign, culminating the program. The band is directed by Ralph Pennacchio.

1981 Field Hockey

The 1981 field hockey team finished with a 13-4-1 over-all record and 9-1-0 league record. This brought us a league championship and the state sectional championship. I consider this an extraordinary achievement for a team composed of 14 players.

We proved that it is quality not quantity that counts. The 1981 team had a tremendous amount of quality and talent on the team. Eight received county and league recognition.

My six seniors have been a large part of our success-playing for 4 years. I truly hate to see them graduate. But I am hopeful that we will have a respectable season next year with the returning players.

I am extremely proud of their performance this year-they layed like champions right to the end. (West Essex was lucky!) I had a lot of fun with them and that's what held us together through the rough times.

Coach Vinnie Caruso

Coach Caruso, known by his players as "Skip", guided this year's team to an NNJIL CHAMPIONSHIP and to the STATE SECTIONAL FINALS. Skip has been a major reason in the turn around of the soccer program at Passaic Valley. In just his fourth year as head coach, the improvement has been consistent — 1 win in 1978, 7 wins in 1979 to last year's total of 9 wins, this year's team surpassed all previous marks by winning 16. At the conclusion of the season Skip was named "COACH OF THE YEAR" by the Passaic County Coaches Association. For his determination and leadership, the 1981 League Champs dedicate this section of the yearbook to Coach Caruso.

Front Row: Capt. Peter Vinton, Enzo Caruso, Arnold Cohn, Larry Sher, Glenn Hughes, George Novak, Mickey Randazzo, Jeff Krill. **Back Row:** Capt. John Parr, Mike O'Connor, Ken Mate, Mike Sperrazza, Franco Dichio, Charlie Sperrazza, Kevin McGlynn, Andy Savi, Tom Mancini, Coach Caruso. **Not Pictured:** Flavio Florio, Sean McGlynn

The Hornets enjoyed their finest season since the inception of soccer at Passaic Valley. This year's squad compiled an overall record of 16-3-5, the best in 16 years. As "NNJIL CHAMPIONS", they became the first Passaic County team to enjoy the honor. The team advanced to the State Sectional Finals and was rated 11th in the State Rankings, 1st in Passaic County, by the State Soccer Coaches Association.

This year's championship team was led by Captains John Parr and Peter Vinton. Each in his "own way" provided the leadership and spirit that made this year so successful.

One of the major setbacks for this team was the many injuries endured over the season. There was not a single game when this team had its' starting line-up on the field. If it wasn't for the team's "desire to win" the season would never have been such a success.

The members of the 1981 Soccer Team are to be congratulated for a job well done and can now display their Championship on their long awaited "jackets".

The Cross Country Team ended the season with a convincing 24-35 win over Wayne Hills, thus finishing with 8 wins and 6 loses. Senior Captain Ed Cody had a fine season finishing: 1st — 4 times, 2nd — 3 times, and 25th in the League Meet. Other seniors such as Dave Conti, Willie Kuri and Frank Alexander all had a fine season. Underclassmen Eric Roos, Chris Liones, Gus Jaworski and Scott Smith rounded out the boys' varsity. Coach Bender feels, with the leadership of 1982 Captain Eric Roos, that PV will be stronger next year.

The Cross Country Girls Team, led by Captain Caroline Roos, had another winning season. Mary Ellen Ballantyne will be the only team member lost to graduation. Mary Ellen had a successful final year. An excellent group of girls, all having fine seasons, will be returning next year. They are Leslie Perre, Renee Fiorilla, Mary Denice Appio, Marijean Azrak, Patty Carroll, Leslie Taylor, Linda Migliorino, and Nancy Gulino. Coach Kiick believes next year these girls will be a contender for the NNJIL Girls Title.

The 1981 Gymnastics Team had its most impressive victory over Ridgewood on opening day. Led by Captain Valerie Vogler the team finished with 2 wins and 11 losses. This is misleading, especially since the girls lost three meets by less than five points. Returning Gymnasts include: Valerie, Diane Stevenson, Helene Swank, and Nancy Mesis. With this group of competitors returning the fact remains, "The Best Is Yet To Come."

Captains — Liz Sterling, Valerie Vogler

Volleyball

Captains — Sandy Rizzo, Colleen Breen

This season the volleyball team was led by senior Captains, Colleen Breen and Sandy Rizzo. Their record 4-14 was an improvement as compared to last year considering that the team is young and composed of only 3 seniors, 1 junior and 22 sophomores and freshmen.

The Varsity Team members were Sandy Rizzo, Colleen Breen, Kathy Castelein, Laurie Profitt, Cindy Krill, Darlene Sardinsky, Carol Sokalski and Michele Rizzo, the only freshman on Varsity.

Athletic Trainer

"THIS YEAR'S SPECIAL ... ANKLES AND FINGERS!"

Sports Medicine, the care and prevention of athletic injuries, is an integral part of any athletic program, especially Passaic Valley High School. Ms. Wagner, the athletic trainer, provides this service to each varsity athletic team.

Some of the equipment that Ms. Wagner utilizes for rehabilitative purposes are an ice machine, whirlpools, heat packs and an orthotron, in addition to various other modalities. In order to prevent possible injuries, the various sports are given a preseason conditioning program. Since athletic injuries are inevitable and each sport maintains certain risk factors - injuries still occur. The athletic trainer's role is to return the athlete to athletic participation safely and as soon as possible.

Good Luck to the senior athletes.

Indoor Track

1981 WINTER INDOOR TRACK TEAM

The Indoor Track Team had a successful winter of preparation for the outdoor season in the spring. Both the Boys and Girls Teams had a lot to be proud of. There were numerous medal winners at the highly competitive meets. Under the able guidance of Coaches Callahan and Krone, the team is to be congratulated for a most successful winter season and continued success during the spring.

Wrestling

Asst. Coach John Antesiewicz and Head Coach Dave McMahon.

Captains John Parr and Joe Grello

The Wrestling Team again had a successful season. The team finished with an impressive 9-5-1 record, which enabled them to achieve a second place finish in the NNJL. The team excelled in the Passaic County Tournament, where there were five champions: John Parr, Anthony Minnella, Dan Eliezer, Joe Grello, and Don Monteyne. The team also finished second in the Bloomfield and District 8 Tournaments.

The highlight of the season was when three of the team members, John Parr, Joe Grello, and Don Monteyne, earned the opportunity to compete at Princeton's Jadwin Gym, for the State Finals. Joe and Don lost hard fought matches but John continued on and became only the third State Champion in Passaic Valley history.

The five seniors are to be congratulated for fine seasons and are wished the best of luck in the future.

Front Row: Donna Branvall, Dana Mercer, Carol Bender, Patty Carroll. **Back Row:** MaryClare Appio, Colleen Breen, Robin Horowitz, Donna Marino, Lynne Butkiewicz

The Girls Basketball Team, led by Senior Captain Donna Marino, began their season with little Varsity experience. After a slow start the team regrouped and won the Christmas Tournament over a fine Wayne Hills Squad. The team improved throughout the season, one of the rewards of all of their hard work was when Donna became only the second girl in Passaic Valley history to score over 1000 points on the Varsity level. In honor of her achievement the game was stopped so that Coach Reaser could reward Donna with a basketball as a small reminder of her success. Overall the team should be congratulated for a fine season and a job well done.

Boys Basketball

Coach John Wallace

The Passaic Valley Boys Basketball Team staged a remarkable turnaround in the '81-'82 season. Coming off a difficult 5-15 campaign in '80-'81, the eight returning let-terman dedicated themselves toward a winning season. The team began their off-season program during the summer, where they practiced and played in leagues as well as attended camps. Their work payed off- the Hornets won the Wayne Valley Christmas Tournament and their first seven games. Although the team was slowed by some mid-season injuries, they never stopped hustling. The team finished with an overall record of 15 wins and 9 losses, which resulted in a 2nd place finish in the tough NNJL. The team members and coaches are to be congratulated for an outstanding season and continued success in the future.

Bowling

The Boys Bowling Team

The Girls Bowling Team

The Passaic Valleys Boys' Bowling Team finished in 5th place in the NNJL Bowling League. The team bowled twice a week at Lodi Lanes in NNJL competition, under the guidance of Coach Michael DePaul. The team finished in 4th place in the Passaic County Coaches Tournament and 15th in the NJSIAA Tournament. Phil Fusco was a 1st Team selection to the Passaic County Team and a 2nd Team selection in the league. Bob Ricciardi was named to the 2nd Team in both the County and the League. The boys are to be congratulated for a fine season.

The Passaic Valleys Girls' Bowling Team finished in 3rd place in the NNJL Bowling League. The captain of this year's squad was Cathy Pille. The team finished in 2nd place in Passaic County and 5th in the NJSIAA Tournament. This year's team was again coached by Sheryl Brown. Cathy Pille was selected to the 1st Teams in both the County and the League. While Kathy Castelein was named to 2nd Teams in the League and County. The Girls are to be congratulated for a fine season.

Captains and Coaches

Baseball

Front Row: Jim Weston, Len Melissant, Joe Mouio, Ken Cooke, Bob Carrabba. **Middle Row:** Mark Danilack, Ken Zak, Mark Natale, Tom Iulo, Mark DePasquale, Tod McEvoy, Bob Reilly. **Back Row:** Doug Pedalino, Jim Pescatore, Andy Gerding, Kevin Torres, John Kraus, Bill Kawam, Rich Panek, Coach Caruso.

The 1982 Baseball Team outlook is good despite the fact that there are only 3 returning lettermen. Seniors, Ken Zak at shortstop, Jim Pescatore at thirdbase, and catcher Tom Iulo, provide the varsity experience and nucleus for a fine team.

Other seniors on the team include pitchers Andy Gerding and Bob Reilly, infielders Bill Kawam and Rick Panek, and outfielders Mark DePasquale and Joe Mouio. Juniors who will see some varsity action include pitchers Mark Danilack and Tod McEvoy, catcher John Kraus, infielders Mark Natale and Kevin Torres and outfielders Len Melissant, Doug Pedalino, and Jim Weston.

Coach Vinnie Caruso

Softball

I am optimistic about our season, with eight returning varsity players. Our pitching staff looks strong with Lynne Butkiewicz and Margie West sharing the mound responsibilities.

We have the potential to be extremely competitive in the NNJL, the County, and the State Tournament if we can put it all together properly. I am still in the process of putting the pieces together, to find the combination that works best.

The question mark appears to be whether we can have a potent hitting attack. Seniors Donna Marino, Tricia Hill and Debbie Brophy along with Junior Jill Kebless are the key hitters this season. If the members of the team continue to play to their potential, they should have a very fine and successful season.

Front Row: Coach Marquis, Carol Bender, Margie West, Jill Fisher, Kristen Manlin, Linda Mariconda. **Second Row:** Mgr. Ann Marie Corsaro, Dana Mercer, Donna Branvall, Madeline Keller, Tricia Hill, Donna Marino. **Back Row:** Lynne Butkiewicz, Debbie Brophy, Jill Kebless, Donna DeBonte, Colleen Breen, Kathy Kukel.

Tennis

Coach Joe Biscaha

The Tennis Team, under the leadership of Joe Biscaha, hopes to have a season of success. Led by 1st Singles Standout and 1981 County Finalist, Kevin McGlynn, the team looks strong with underclassmen Phil Fusco and Allison Liss at the singles positions. At first doubles, seniors Jay Schreyer and Steve Browning, look to prove their ability in the County Championships. Second doubles will be inexperienced, but remain competitive. Other members of the team include Bob Carabba and Steven Stadler. The Tennis Team is wished the best of luck and continued success in the future.

1982 Tennis Team

Golf

The Passaic Valley Golf Team is looking to have a successful year in 1982. Returning are Seniors Jeff Krill, Charlie Sperrazza, Mickey Ranzazzo, Rick Ricucci, and Peter Summers along with Juniors Mike Sperrazza and Craig Bitten. All of these players are looking forward to having strong seasons. With such a promising outlook, Coach Ariola should have a lot to smile about. Good Luck for a fine season.

The Valley Green Players
proudly present
**"THE GREAT TRAIN
ROBBERY"**

AS OUR STORY OPENS ...

A CONDUCTOR can be heard shouting, "All aboard! Next stop Little Falls for the most thrilling, fun-filled adventure you'll ever experience."

Our HERO and HEROINE are boarding the train to meet a deadline and bring the souvenirs safely to their rightful owners. "Come on HERO, if you'll work a little harder like me, the HEROINE, we'll be out of here in no time."

The first group of passengers kicking on board are dazzling DANCE HALL GIRLS along with an INNOCENT BYSTANDER.

Earlier two STARVING ARTISTS decide, "Hey, we won't get anywhere painting doors."

"Let's hop a train for an artistic excursion and something to eat."

Fleeting cries from far off FOTOGRAFERS, "Stop the train!" and pleading calls from the persistent PRESS, "Wait for us!" go unheard forcing the group to hop the moving train.

The first big thrill is a hold-up. "This is a good place for a stick up." "No, no! Don't shoot!" The FOTOGRAFERS on top of the train are more interested in an action shot.

"Hand over the souvenirs ... now dance."

Our HERO and HEROINE rush in, knock out the BAD GUYS, recover the souvenirs and save the day.

While leaving the BAD GUYS behind, the passengers hear a faint jingle of tambourines. "Hey it's a band of GYPSIES!"

In a persuasive way they bargained, "We'll read both your palms and tell your fortunes for a peek at the souvenirs."

12

12

The second big thrill is a LADY in DISTRESS shouting to the moving train, "I'd move but I'm tied up at the moment."

13

13

The passengers unload to encounter a perplexing situation. Some want to help the LADY in DISTRESS ... others find something more appealing.

14

14

"Get your Homemade cream pies! Yes, gett'em while they're hot!"

15

15

Here comes the fun part. Remember the LADY in DISTRESS? She asked for it, she got it, a pie face.

16

16

The STARVING ARTISTS rush to be first to sample the pies.

17

17

"Whadda ya mean? Homemade?! These are Shop Rite!"

18

18

A wandering POET was heard reciting everyone's all time favorite, "To be or not to be ...". A chorus from the crowd rings out, "To throw a pie or not to throw a pie ..."

19

19

YES is the answer!

20

20

During all the commotion two STOWAWAYS are plotting to heist the souvenirs. They think they'll get off scott-free but a nosy GIRL SCOUT plans to do a good deed.

21

21

"There's two stowaways and they're retaking the souvenirs and we gotta head'em off at the pass and hurry they're getting away!"

22

22

"If you don't stop it I'm going to tell on you too." They totally disregard the GIRL SCOUT'S threat and continue the frenzied pie fight until ...

23

23

The crowd shouted at her "You're always pointing." "You're a tattletale." "You and your cookies beat it." Then they bombarded her with pies.

24

24

Our HERO and HEROINE are prepared to stake their lives in effort to re-recover the souvenirs. They plan and plot an infallible scheme. "I'll hide around the corner with the rope while you drop the blanket."

25

25

The STOWAWAYS whisper, "Hey, I think we pulled it off. They'll never catch us now," while our HERO and HEROINE know differently.

26

26

They capture the STOWAWAYS. "Hey, let us out of here!" "You're not going anywhere, hey GOOD GUYS, look what we've got for you."

27

27

Once again good outdoes evil and the souvenirs are re-recovered. "Thanks to a HERO and HEROINE like you, our GOOD GUYS job is a lot easier."

28

28

And so our HERO and HEROINE meet the deadline and ride happily off into the sunset.

THE END

*Joy at the start
Fear in the journey
Joy in the coming home
A part of the heart
Gets lost in the learning
Somewhere along the road*

*Along the road
Your path may wander
A pilgrim's faith may fail
Absence makes the heart grow fonder
Darkness obscures the trail*

*Along the quest
Coming disaster
Measureless nights forlorn
Moments of rest
Glimpses of laughter
Are treasured along the road*

*Along the road
Your steps may stumble
Your thoughts may start to stray
But through it all, a heart held humble
Levels and lights your way . . .*

*The time has now arrived to capture the moments of
our lives, in a lifetime of moments*

*Where are the children we once had to be? Never
growing older, only wiser.*

*We are meeting our futures, as the tide meets the land
yet still reflecting the still water left glistening behind.*

*Leaving the nest, at first the bird falters-then with
courage, sings and flies freely away.*

We are these lucky spirits-knowing our own flights.
