## Dedication To Chester Kuziora

We, the Class of 1986, have known him only since 1982, but Chester Kuziora has been a crucial part of Passaic Valley High School since 1946. During that past forty years he has overseen the publication of forty yearbooks, served as advisor to the Art Service Corps and constructed sets, scenery and various props for Masque and Sandal productions, beginning with "The Diary of Ann Frank" and ending with "A Funny Thing Happened on the Way to the Forum." As a result of his unfaltering dedication to his countless activities and students, "K" has become a reliable friend and listener. His jovial personality has seen us through many troubled times. We will always remember his constant warmth and understanding.

On behalf of all students who have benefitted from his teaching and his talents, the Senior Class of 1986 would like to thank Chester Kuziora and wish him health and happiness in the years to come.

I want to live in A-meri-ca!

Do you think it's time to shave?

Splash, splash I was taking a shower?

These early mornings are murder.

Do you know who this body belongs to?

Weight watchers here I come.

Muffy, the bologna is spoiled.

Ma, look what I brought home for dinner.

What did you say the answer was?

It smells good, but I can't say much for how it looks.

## *Life Is Just A Song We've Only Just Begun*

How Green was Passaic Valley upon our arrival in 1982? Believe it or not we all went home with writer's cramp after the first day from signing so many school policies, but our class was determined to be the best. Financially, we were off to a great start - we sold magazines, Christmas candles and Entertainment Books, which would later become our yearly fund raiser. We were the last class to have Area Managers and we also witnessed the end of the smoking area. Since our bleachers were declared unsafe; we conned licensed drivers into hauling us to Montclair State College to watch the P.V. Hornet football team in action. The Who's final tour grabbed our attention, as did a cute little alien named E.T. A rash of bomb scares and fire drills hit P.V. and the surrounding areas as our first year drew to a close. By now, the upperclassmen did not seem unreachable and the hallways so long. Many new friendships were budding between kids from other towns. Many of us became involved in different school activities. However, this question still remains unanswered to every freshman at P.V. - Why can't we just buy french fries *alone*???

## *Changes*

Sophomore year started with many, many changes. Mr. DePasquale was now the Head of Student Activities, since the Area Manager system became defunct. One could be guaranteed to visit Mr. Marion if the need for disciplinary action. In-school suspension and detention hall were induced for troublemakers. New smoking and cut policies were in effect. Many new crazes were sweeping the nation and P.V. was hit, too! Breakdancing caused many students to invest in a pair of parachute pants while Cabbage Patch fever made us want to adopt a "child" of our own. "Where's the beef?" became a frequent question and a new substance called NutraSweet caught our eyes. The first of our traditional Halloween dances was a huge success. We watched computers, VCRs, and microwaves enter our homes. The movie *Flashdance* inspired us to sport cut-up sweatshirts and Michael Jackson climbed to the top of the music charts as he taught us to moonwalk.

## *I'm Coming Up*

Not only were we coming up as juniors, but another space shuttle was going up also - with Sally Ride, the first woman to travel in space. Musicians from all over the world gathered together to form Band Aid and Live Aid to help starving people in Ethiopia. Long time rock station WPLJ turned Top 40 as new wave and pop entered the music scene, both on the radio and MTV. President Reagan was re-elected to a second term and the death of Yul Brynner saddened the nation. Meanwhile, P.V. was getting into the groove with Madonna and Bruce Springsteen. Many P.Vites could be seen dancing up a storm at The Meadowbrook on Thursday nights and flashy neons set the fashion world on edge. New additions in the Valley included midterms, the rebirth of the Student Senate, a bonfire before one Thanksgiving Day football game and a new Superintendent, Mr. Centalozza PhD. We proudly watched our field hockey and cross country teams become Champions and kept raking in the bucks with candy, bunny sales, plus the Entertainment Books. Our Junior Cotillion was held at The Mayfair Farms and the newly formed SSA made a break through in which students were allowed to wear shorts to school. The war between Coke and Pepsi raged on and we got psyched for senior year as we hit the beaches!

## *Looks Like We've Made It*

We arrived at P.V. in our own cars, decked out in Swatches and Reebok. Paisley and rhinestones made a splash and Guess replaced Lee as the name on our jean pockets. Night football games became a ritual for Saturday night home games and return of Girls Show excited the student body. An alarming disease called AIDS captured the attention of the nation and took the life of actor Rock Hudson. The life of Krista McCauliff plus six other astronauts were taken when the space shuttle suddenly exploded moments after take off. A new bell schedule called for us to rise earlier and the auditorium was renovated. The saga of "Rocky" continued as Sylvester Stallone downed his current opponent in *Rocky IV*. We finally began to take SAT's seriously and sweated our college acceptances. Our prom was held at The West Orange Manor and we graduated early since all asbestos was being removed from the school.

## *The Best of Times*

Our four years at Passaic Valley have provided each and everyone of us with special memories, from our first days as scared freshmen up until graduation. We have combined all of our ideas and energies into becoming a unique class-the Class of 1986-and now, as we enter the world prepared for higher education and new responsibilities, we will never forget all the experiences that we have shared together.

## Class Advisors

In the fall of 1982, I stood before a group of young people and told them what good things I had heard about them. Since then you've proven them all to be true.

Since freshman year the class of 86 has done everything they have been asked to do. From your freshman magazine drive, thru candles, candy and sun catchers all the way to the Entertainment books you have helped your class officers and advisors.

As a result of your efforts we have been able to provide you with some memorable events including Halloween dances, The Junior Cotillion, The Senior Prom at "The Manor", the Senior Play and a class trip - we hope!!!

I wish you all much success and happiness!

Mr. Buddleman

Experience is a hard teacher because she gives the test first, the lesson afterwards.

With A Little Help From Our Friends

The 1985 Hornet football squad finished the season with an overall 4-4-1 record. The first four games saw P.V. winning three and playing to a 0-0 deadlock with Lakeland. Two mid-season losses prevented the Hornets from qualifying for the play-offs. Highlights of the season were the first night games ever at Passaic Valley, the first was against Lakeland, the night the lights went out and the second was two weeks later when the Hornets entertained West Orange winning by a 14 to 13 margin. The biggest win of the season was a 25 to 14 come from behind victory at Dumont.

Overall the season provided some very bright moments, with some outstanding performances being turned in by several players.

### HORNET PRIDE

These girls from the VALLEY definitely showed that P.V. style. Making posters, baking, and decorating the locker room was only part of their school spirit.

The cheerleaders would have their traditional breakfasts followed by beeping around the town before every football game.

This year's team definitely spread our HORNET PRIDE!!

The P.V. Varsity Field Hockey team was extremely pleased with its season this year. The 1985 team won the County Tournament against an experienced West Milford team (# 1 ranked). The Varsity team lost 6 of its first 8 games but only lost 1 of the last 9 games. The team averaged almost 2 goals per game in the last half of the season. Four years veterans Debbie Gilabert and Cecelia Sperrazza lead the team with three year veteran senior Bhabita Bhatnagar. Finishing the season 9-7-1 the team displayed a positive winning attitude and lost of integrity in a season that could have been a disaster if they gave up. There is a bright future for 1986.

Although the Varsity Volleyball team finished with a 1-14 record many of the teams goals were reached. Two of the most important goals were learning the skills of the game and to improve throughout to season as the girls gained valuable experience. Many of the girls never played volleyball before the season and the team only had one senior, so these goals were very important. By the end of the season they were giving some of the area's best teams a lot of trouble. This season was just a stepping stone for the future and with the hard working girls on the team, next year should be very successful.

Coach Mark Natale and Capt. Givonna Dicho.

## *I'll Tumble For You*

Coached by Margie Breznak and with the help of three junior captains Denise Gilbert, Keri Palumbo and Rita Politano, the 1985 Varsity Gymnastic Team finished another successful season with a record of 6-5.

Through hard work and dedication, the Gymmies walked away with an impressive 4th place at the Passaic County Invitational Meet. Individual awards went to Freshman Sue Miedema who placed 5th on the balance beam and sophomore Jill Albanese who placed 5th on vault, 3rd on bars, 5th on floor exercise and 4th in the all-around competition.

Outstanding individual scores throughout the season enabled both Rita Politano and Jill Albanese to qualify for the State Sectional meet on vaulting.

Being an enthusiastic and growing young team, the 1985 Gymmies have a successful look ahead to next year.

Passaic Valley ended this season with a 9-4 record. We had a first place finish in the League, second in North Jersey Group 4 Section one, Passaic County Championships and District 8.

We had 10 seniors who took great leadership roles and by the time we went against Fair Lawn in the Sectional Playoffs we really had a competitive team who could compete against any team in New Jersey.

The highlights had to be our League Championship (and our jackets) plus the great Sectional Championship matches.

Thanks for a great year team and to the Seniors good luck in your future plans. Stop back and visit sometimes.

NJSlAA Tournament-to be announced	

The 1986 Varsity Girls Softball Team should be a very strong one. Returning letter winners include pitcher Cheryl Nardino, catcher Val Sadusky, 1st Baseman Chris Marinelli, 2nd Baseman Kim Gursky, 3rd Baseman Cathy May, and outfielders Kim DeBonte, Fran Scorzo, and Shannon Loines. Newcomers to the varsity are shortstop Lynn Sahatjian and pitcher Dawn Martin.

The team should be a contender for the league title which they lost by 1 game to Montville the previous season. The team's strengths should be hitting and baserunning. The squad is also very strong defensively and if the pitchers keep the walks to a minimum, the team could seriously challenge DePaul for the county title.

Captains-Shannon Loines, Kim DeBonte, Fran Scorzo

The Success of the 1986 Baseball Team is due largely to the effort of the senior members of the team and to a few enthusiastic underclassmen.

The team was led by senior captain and 3 year starter, Bob Ash at second base. Bob is a legitimate candidate for All-league and All-County honors. John Giordano at 3rd base provided excellent defense at the hot corner and a hot bat at the plate. Lou Rizio, in left field, was a tough contact hitter at the plate and an excellent base runner. Sal Sofia was a key relief pitcher and a fine center fielder, in addition to contributing timely power hitting. John Pace, as the catcher, provided superb leadership and defense in working with a young pitching staff. Sam Van Benschoten played first base and contributed power hitting while Matt Wyble filled in at right field with excellent defense and good contact hitting. Junior Jim Loverdi was the workhorse of the pitching staff and also produced timely hitting. The team received unexpected but valuable support from the following underclassmen: James D'Amico, pitcher; John Hertlein, pitcher; Erik Kurth, pitcher; outfielder, Paul Lopresti, infielder; Frank Peluso, first base and Rich Aquiar, outfielder. The team is to be congratulated for their hard work and dedication to a fine baseball season.

Next, the band offered a visual and aural presentation of Respgi's *Pines of Rome*, a subtle classical piece accented by its intensity and finesse. *Egyptian Danza*, the percussion feature, demonstrated the challenge of total musical performance, enhanced by a complex keyboard book and color-guard visual.

The band concluded its show with *Pegasus*, opening with a low brass feature, colored by woodwind sonorities and displaying the impeccable and contemporary style of Stan Kenton.

This fall, the band has competed in four sanctioned

E.M.B.A. Competitions, and has more than once been honored as Best Band In Show this season.

Evelyn Ivens

1986 brings with it the departure of Ms. Rolene Wagner and Mrs. Evelyn Ivens. Two very special women who have touched the hearts of practically all students by just being themselves.

Ms. Wagner, PV's first athletic trainer and an easy-to-love gym teacher, takes leave from this Little Falls High School in order to pursue a job with similar responsibilities at Bloomsburg University in Pennsylvania.

Miss Ivens, after many years of working in PV's library leaves us in her retirement. The time she spent, and the many term papers she has helped to research will never be forgotten by the students she has helped.

Surely the kindness that has been shared by these two women will remain a long lasting memory in the minds of students and faculty of Passaic Valley.

Farewell and Best of Luck!

In Educator's Honor**

Passaic Valley's auditorium, rebuilt and refurbished in 1985 was dedicated to Edwart T. Schneider PhD, for his former positions as business education department chairman, vice-principal and superintendent held during his tenure.

Louis Centalanza PhD, Passaic Valley's current Superintendent, cited Schneider as "An outstanding educator and human being, who has left so lasting an impression on so many persons."

Mrs. Trotta's Sociology class sponsored their annual Christmas Party for PV special friends.
