## Welcome to the Seventies

From bellbottoms and peace signs, to disco balls and Studio 54, today's society has been greatly influenced by the Seventies. Look around, the styles of clothing have lasted throughout the decades and have reappeared. Music from this decade has become legendary. Ideas and beliefs still linger in the minds of the generations. Media coverage has opened doors to the advances our society has today. The computer and advancements in technology from the Seventies up until today have become necessary in the lives of Americans. Historians make the point to say how history repeats itself. Looking at today's society, IT HAS! Welcome to the Seventies ... Again!

# Dedications

One of the great things about life is that for every person who leaves you and let's you fall, there is someone who catches you and helps you back up. It's people like this who make life great. We are honored and privileged to dedicate our yearbook to Ms. Bednarski. Without her hard work and selfless efforts we may not have even had a yearbook at all. Thank you for everything!!!

Mary Lou Bednarski

Kathleen Dellanno

Every class needs someone to guide them, whether it's the first steps through the front doors, or the last long strides across the field to graduation. We were lucky enough to have two wonderful people to show us the way. We are very happy to also dedicate our yearbook to Mrs. Dellanno and Mrs. Mulcahy. They have always been there for us and we thank them greatly for all they have given us. Thank You!!!

*The Passaic Valley Board of Education: Standing L to R: David Seyer, Steven Veltri, Dr. Viktor J. Joganow, Superintendent, James Niland, Joseph Appio, Carlo Spinella. Seated: James Belford, Toni Belford Damiano, William Depsee, President, Laura Van Winkle, Paul Gerber, Board Secretary.*

Dear Members of the Class of 2003:

Over the course of four years, every graduating class establishes its own unique character and personality. Administrators, teachers, coaches, guidance counselors and other staff members are the people responsible for characterizing your class and those assessments are based on the daily interactions of everyone involved in the Passaic Valley educational community. Certified and non-certified staff members have described the members of the class of 2003 as "caring," "spirited," "natural leaders," and "excellent role models." Those descriptors are a compliment to the effort and commitment displayed during your tenure at Passaic Valley.

You should be as proud as we are of the individual and collective achievements of the members of your class in the areas of academics, athletics, and community volunteerism. Passaic Valley is confident that it has provided all of you with the necessary skills to be successful in a new global environment.

On behalf of the Board of Education and administration, I wish you the very best in all of your future efforts. Remember ... "Nothing great was ever achieved without enthusiasm."

Ralph Waldo Emerson

Respectfully,

Viktor J. Joganow, Ed.D.

## Retirees: Bound ...

Hank Sisbarro was a member of the Pas-saic Valley High School staff for 33 won-derful years. An alumnus of the class of 1964 and graduate of Missouri Valley Col-lege, Mr. Sisbarro was senior class presi-dent as well as a member of the PV Honor Soci-ety. He was a member of the baseball and wrestling programs as a student, and later in his teaching career he coached wrestling for 11 years and football for 18 years. Many of these teams won county and state champi-onships. He began his teaching career as a physical education teacher and later moved into the science department where he taught biology for many years. Mr. Sis-barro will always be remembered for his great personality and ability to communi-cate with students. In recognition of his years of service and dedication to the PV tra-dition, he was inducted into the PV Athletic Hall of Fame in the spring of 2003. We wish him the best in his retirement in Virginia.

## ... For Glory!!!

Vince D'Elia was a member of the Passaic Valley teaching staff for 32 years. He grew up in Jersey City where he attended Jersey City State College. He began to work at Passaic Valley in 1970, where he taught chemistry, ecology, and biology. Mr. D'Elia is also the founder of the ecology course, which is still enjoyed by many students today. He was well liked by the students, staff and parents because of his great sense of humor. Some memorable experiences included students taking video field trips to the frozen tundra and tales of his experiences at the Peckman River in the 70's. His favorite quote was that he enjoyed fast cars, fast boats, fast motorcycles, and fast women. Mr. D'Elia joked that his wife only let him keep one out of four and that was fast boats. We wish him many happy healthy years on the sea.

## Macho Men

Head Coach Bill Johnson

The 2002 Varsity Hornet Football team was filled with talented players and coaches, who worked together to form a hard-working, successful team. There were many senior players, all of whom helped to lead the Hornet team to victory, including Captains Ryan Gaffney and Vin Varcadipane. Vin Varcadipane, as a fullback, managed to hold the record for most touchdowns, as well as the most covered yardage for the team this season. Leading receiver and tackler for the 2002 team was junior Nick Varcadipane, while senior Stephen Cristofol held the record for the most interceptions for this season. The team was able to make it to the playoffs, in which they played Wayne Valley and put up an amazing fight throughout the game and even into overtime. The 2002 Varsity Football team worked extremely hard and played well this season, finishing with a record of 5 and 5.

## "The Pom Squad"

"The Varsity Cheerleaders worked hard this fall to prepare for Competition. Their performance was outstanding!" -Cheerleading Advisor Gabrielle Yacenda

The 2002 Passaic Valley High School Varsity Cheerleading Squad was the biggest in recent history. With seventeen cheerleaders and four captains, the squad worked hard in the second half of summer. Tireless practices prepared the girls for the pep rally the first day of school. The girls continued their endless efforts throughout the football season. Louder and better than ever, the ladies cheered the boys on from the sidelines, where they put on the real show! At the annual West Milford Competition on November 22nd, the cheerleaders put on a flawless performance. Despite the judges' decision for a second place finish, the PV cheerleaders rocked the floor! With smiles brighter than ever, moves stiffer than ever, and a routine like no other, the girls took home a victory in the hearts of every individual in the stands that night.

## You Make Me Feel Like Dancin'

Director: Mr. James Millar

2002 brought a lot of positive changes for the Passaic Valley Marching Band. Along with our weekly attendance at football games, we participated in two competitions this year, placing 3<sup>rd</sup> at the EMBA Championships at Wayne Hills. Our show was based on the Godfather of Soul, James Brown. The band brought back classic Brown hits like, "I Feel Good", "Live In America", and a combination of "Cold Sweat" and "Mother Popcorn". Together, the Band, the always impressive Color Guard, and our two newest additions, the Dance Team, and our school mascot, The Hornet, provided "a funky good time" for the crowds at halftime. Throughout these changes, the PV Marching Band continued to stay close and to support one another. Each band member pushed themselves to the best of his/her ability this year, and all of the hard work came through in the music that was performed.

For the Seniors in this elite group of musicians: The past five years have been truly memorable, and all of the memories, love, and the time spent together will not be forgotten.

To Everyone: Good luck and best wishes in all that you. Thank you for a great year!

Head Coach Roy Fitzgerald and Assistant Coach Mark Salvatore "I am very proud of the 2002 Boy's Soccer team." -Coach Fitzgerald  
"Hard work and senior leadership played a big part in the success of the Boy's Varsity soccer team" -Coach Salvatore

The Boy's Soccer team went through a season of ups and downs. The Hornets, under the direction of head coach, Roy Fitzgerald, and assistant coach, Mark Salvatore, reached new heights this season. The team brought back a competitive spirit and work ethic that translated into a great season. Critics never expected the Hornets to have as good of a season as they had. Coach Fitzgerald states his expectations for next year: "My hope is that the underclassmen will continue to strive to be even better".

The Hornets' 11 victories, county victory, and home state game were just some of the highlights of this turnaround year. The boy's 1-0 victory against West Milford in the beginning round of the counties gave them the recognition they long deserved. The Boy's Soccer team also played great games against West Orange and Delbarton. The team was dominated by 12 seniors. Captains Tamer Kose and Marcello Follano led their team to victory.

This year's players received many awards and recognitions. Co Ardolino and Nick Mataya both received Honorable Mention Passaic County. James Morrison received Honorable Mention Northern Hills Conference and Frank Straface received Second Team Northern Hills Conference. Marcello Follano made first team Northern Hills Conference and first team Passaic County. The Hornets had a very successful 2002 season. With hard work and dedication, hopefully the 2003 soccer season will be just as memorable.

## POWERFUL PELE'S

The 2002 Girls soccer team followed the same tradition of great soccer at Passaic Valley. Under Coach Porfido the team has reached its fourth consecutive State Tournament. This is a great accomplishment for Coach Porfido. This was a year in which many believed would be a rebuilding year for the Lady Hornets. With only five senior members on this team the Lady Hornets still reached their fourth consecutive State Tournament with a record of 9-9-2. Team Captain Guiliana Minervini received Second Team Northern Hills Conference, Honorable Mention Passaic County. Once again superstar Cara Reposa supplied the Lady Hornets with the firepower receiving First Team Northern Hills Conference, First Team Passaic County. Other underclassmen stepping up to contribute were Alexandra Gastulo- Honorable Mention Northern Hills Conference, Xiomara Marin- Honorable Mention Passaic County, Kelly Szewczyk- Second Team Passaic County, Honorable Mention Northern Hills Conference. The team might of fell short in their dreams of a state title but this is only the beginning. This was supposed to be a rebuilding year after losing many seniors to graduation last year. This year was a stepping stone showing how much promise these Lady Hornets show. It's only a matter of time when the Lady Hornets will be on top again.

Last year the Hornets finished their season with a substantial 12-13 record. Under the guidance and direction of new coach Bill Conlee, the team has high hopes for this season as well. Although this year is sure to be a rebuilding period because there are few returning players, the Hornets are confident that teamwork and dedication will help them reach the State Tournament. The team will rely a great deal on strong play from Vincent Addice, Pete Andela, Stanly Patino, and Matt Rogowski. With a vast amount of talent from all players, there is no doubt that the Hornets can reach their expectations for a successful season.

The 2002-2003 girls basketball team, led by senior captains Michele Coral, Megan Corrado, and Melissa Puzio, got off to a good start. While Michele Coral was out with a knee injury for a majority of the season, a hardworking group of seniors, juniors, and sophomores knew their work ethic and desire had to be second to none. Winning the first game of the season gave the girls confidence that carried into the Holiday Tournament. With wins over Wayne Hills and Parsippany the team won the tournament for the first time in seven years. Melissa Puzio was named MVP of the tournament. The team made it to the second round of the county tournament by beating a favored West Milford team in an exciting one-point victory. The idea of being better than the day before was evident in the girls' attitudes and performances throughout the season.

The 2002-03 varsity boys' basketball team is in the beginning stages of a rebuilding process. The rigors of the Northern Hills Skyline Division make this process a difficult task. However, the players are working hard and are definitely making progress. Key contributors to the team are senior Anthony Balogh; juniors Stephen Tuohey and Kyle Kober; sophomores Brian Whetam, Chris Nagy, Sean Williams, Gerard Russomanno, and Robert Adams; and freshman Matt Coral and Bryant Rodriguez. The rebuilding process looks to be going in the right direction. For the second year in a row, the freshman team will finish above .500, even though Matt Coral and Bryant Rodriguez are up with the Varsity. Coach Walsh is already looking forward to the summer where the team will be playing in the Springfield Avenue, Newark playground league, as well as the West Orange summer league.

Honet Wrestling started the season with high expectations. The team opened with a 3<sup>rd</sup> place finish at West Essex and a 5<sup>th</sup> place finish at Bloomfield. The team suffered some early injuries. Sophomore Frank Dugan was out for a month, but senior Vinny Varcadipane was out for the entire season. These injuries however challenged the Hornets to grow as a team and to fight through the adversity. The team started off 5 and 5 and continued on to a five game winning streak, which allowed them to qualify for the State Sectionals. The Hornets remained hot by placing 2<sup>nd</sup> in the Passaic County Tournament and captured the District 13 Championship with a team score of 129. Steve Kildow came alive in the second half of the season coming in 3<sup>rd</sup> place at the Counties, 2<sup>nd</sup> at the Districts and 4<sup>th</sup> in the Regionals. Captains Ken Stiles completed in the State Tournament after placing second in the regions. Brian Baez placed first in the Passaic County Tournament. Also contributing were Nick Katsanos, 3<sup>rd</sup> place, and Rich Greco, Rich Defeo, and John Urchak with 4<sup>th</sup> place finishes. Next year the Hornet wrestling team should keep its winning reputation. The team only loses three seniors, and standout J.V. wrestlers will help fill in the Hornets lineup.

# Class Advisors

To the Class of 2003

"United We Stand" has become our country's motto since the tragedy of September 11. The students of Passaic Valley truly stood together. While trying to make sense of such chaos and confusion, you had the courage to express sorrow for the pain and suffering of others and to give of yourselves to bring comfort and support; each effort, individual and collaborative, made a difference in the lives of those in need.

The actions of the class of 2003 were not unexpected. Since we met all of you in your freshman year, we were struck by your camaraderie. We watched individuals from various places, with unique backgrounds and life experiences UNITE — to raise funds, to enjoy social gatherings, and to participate in building a strong school community. These activities, though seemingly small in the grand scheme of things, prepared you for the world outside PV, a world which has already tested your strength, your integrity, and your capacity for compassion.

As you venture into that world, we hope that your strength, as well as the lessons learned through your solidarity, will sustain you through life's obstacles; however, when challenges seem insurmountable, remember that every effort, no matter how small, can indeed make a difference. Your class made a difference in the wake of September 11 and in the history of Passaic Valley High School.

Continue to accept each other's differences. Share your warmth, your enthusiasm, and the spirit of cooperation that you have shown us. Class of 2003 — United by history and by memories, stand tall and proud.

We wish you peace,

Mrs. Dellanno and Mrs. Mulcahy

**Kristine DelRosso**

Dear Kristine,

Four short years ago, as you walked through the door of PV, you were the "little sister" of a big senior. We knew that it would not take long for you to make your own way. Ever since you were a little girl, you knew your own mind and followed your own heart. These are qualities that have remained true to you. You have set standards for yourself that have guided you and have helped to mold you into the beautiful sensitive young lady that you have become. You are strong, but with a kind and loving spirit. You have earned the respect and admiration of your friends, and with true friendships you will never feel alone. You have had your share of disappointments, but you found the strength to rise above them and come out stronger because of them. Kristine, we are so proud of you and all that you have achieved. The world awaits you and we are so excited to see all that is about to unfold before you. We wish you a life filled with much love and happiness. Keep flashing that beautiful smile and the world is sure to smile back at you!

Love Mom & Dad

**Jaliese Dolan**

To Jaliese,

It is with mixed emotion that I open my arms, not to embrace you, but to release you. It is one of the most difficult things for a mother to do ... to watch the child that she has borne and nurtured for 18 years go off into the world. One part of my heart swells as I choke back tears of sadness at my loss, while another part of my heart beats with anticipation and a sense of wonder as I watch you get ready to build your wonderful future. I wish you only days filled with

joy and discovery as you leave my nest and begin to build your own.

With all my Heart, Mom

Dear Jaliese,

It seems so long ago that you were that precious little princess. Over the years, as I've watched you grow, I have had the joy of witnessing you grow into a beautiful young woman that you are today. I love you very much.

Love, John

**David Downing**

Dear Dave,

Love, Mom & Dad

**Ryan Gaffney**

Dear Ryan,

What terrific ride. We wouldn't change a thing about you over the last 18 years. Through it all we have enjoyed all the cheers and all the tears. Whether we watched you from the sidelines, the bleachers, or behind the backstop, we're so proud of how you handled yourself as a competitor and a gentleman. Being told by your teachers, coaches and teammates that a gentleman and competitor you are is the formula that will carry you through life. Always keep in mind that you never achieve all of your dreams, but you'll never achieve anything if you don't dream. Dream Ry, Ry.

Love always, Mom, Dad & Derek.

**Christine Galbraith**

Christine

There is no need to reach high for the stars. They are already within you - just reach deep into yourself! Congratulations.

**Daniela Italo**

Dear Daniela,

A child is the most precious and beautiful gift that God gives a mother. I have been privileged in having you as my daughter. Daniela, you have grown up to be loving, honest, caring, courteous and trustworthy in your relationships with family members and friends. I thank God for having placed you in my care. It has been wonderful to witness those important milestones in your life. I especially remember your excitement and sense of accomplishment when you took your first steps. Those first steps lasted approximately five hours that day!

There have been many other momentous times during your "growing up" years. These have been your achievements in music, dance and sports. It has been fascinating and wonderful for me to watch you develop into a well-rounded young lady in the process of cultivating your interests. Besides being proud of your academic achievements, I have admired your love of animals, especially your dedication and perseverance in your work and your service during the summer you spent as a volunteer at the Garrett Mountain Equestrian Center. For the last three years it has been a marvel to me and exciting to see you perform for competitions, at football games and in parades in the Passaic Valley Marching Band. Also, most recently, I have been especially happy for you when you decided to play your French Horn in our church's Lighthouse Orchestra. It has been and is the desire and love that you have in learning many things such as a new instrument, a new sport, or in acquiring knowledge on a subject of interest that will undoubtedly continue to increase your intellectual, physical, and spiritual growth. As you leave Passaic Valley High School, I pray that God will continue to guide you to become the person He wants you to be. May He richly bless you as you pursue your interests in college for a successful and happy future. Congratulations!

All my love and affection,

Words cannot begin to describe how much you mean to us. We are so proud of the person you are and of all of your accomplishments. You are such a compassionate, caring and dependable young man with tremendous, strength of character. Since you were very young, you always had such quiet self-assurance. You always knew what was right for you, set your goals and worked diligently toward achieving them. Once you find something you love and value, you work tirelessly toward perfection (i.e. surfing!) Your inner strength allows you to stay true to yourself and still show tolerance and acceptance of others who are different from you. You have always been a loving, loyal and devoted son, brother and friend. You have a way of making people feel important and valued. You seem to glide through life with an easy going manner and a great sense of humor. We know that your perseverance and character will lead to a lifetime of happiness, love and success. Remember that we love you with all our hearts and we will always be here to support you on your journey through life.  
Love always, Dad, Mom and Sara

**Briana Orefice**  
Dear Briana,

Yes, it does only seem like yesterday when you started kindergarten on that September day in 1990. We remember them telling us that you would be graduating from high school in 2003. It seemed like such a long way away, but now what seems like just a blink of an eye, here it is. You have so much to be proud of and our wish for you is that life offers you only happiness and success in everything you do. Ralph Waldo Emerson defined success as: "To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!" If this is true, then you are well on your way. We know that you can achieve your goals, just take one day at a time, and make of most of each day. Always remember that you can always count on our love and support. We Love You! Mom, Dad, & Frank XOXOXOXO

DEAR L.A.M.B. (Lauren, Alexis, Michele, & Briana)

We are so glad that Briana has you three as her best friends. We've watched you grow into beautiful young women. Your friendship has weathered many storms over

the years. That's a sign of TRUE friendship that will stand the test of time. Do you know how fortunate you are? Most people are lucky enough to have only one best friend, but you are each blessed with three. As you all go off to college and your lives drift apart just remember how special each of you are to one another. Even though you'll be miles apart, that bond will keep your friendship close at heart. We wish that all your dreams come true. We Love You All! Mr. & Mrs. Orefice

**Lindsey Oxley**

**Lauren Rice**

Lauren ~ The phrase 'A Hornet Born, A Hornet Bred' seems so appropriate. You've grown up hearing stories of P.V. and watched as your sisters enjoyed their years here, anxious for your turn. You've made so much of your time here, carving your own little niche, setting your goals high and ultimately achieving every one.

You've accomplished all that you have on your own merit, with integrity and confidence, never losing sight of what's really important in life. You are living proof that 'Good guys' can win. You've made us all so very proud, not only because of your many achievements, but because of the woman you've become. Your great sense of humor and compassion for others have touched many people at P.V. graduate. You are leaving with memories that will last a lifetime. Thank you for letting us share these times with you, through the happy times and even the sad, we have always felt so lucky to be there with you. We wish for you all the love and happiness that life has to offer. May God bless you and watch over you all the days of your life. Remember that we will be here for you and love you always and forever. You will always be 'our little angel', Love, Mommy and Daddy

**Alissa Rufino**

Dear Alissa,

It is so hard to believe that you are graduating from high school .... You are our baby!!

We are so proud of the young woman that you have become.

From the beginning you were cuddly and lovable and as you grew you showed compassion and strength and always a smile.

You have given us so many happy times and endless memories.

As mom, you know that there is a twinge of sadness to let go of some things we shared and enjoyed so much such as cheering and Girls Show. While dad was always proud to see you do so well and enjoy these things, he will not miss the green glitter etc. scattered around ... but is has been fun!!!

It is now the end of one era and the beginning of another for all of us ... you are on your way and we are so happy for you. We know you will do well as you have a keen sense of responsibility, a subtle with (which you kept under wrap for a long time), determination and a warm heart.

As you go from here we wish you love, success and happiness always. Remember to maintain good balance in all you do, that is key.

Live your life in love for you are loved so very much!!!

All our love always, Mom & Dad XX

**Christine Russo**

You have grown into a fine young lady who's ready to conquer the world. All we can say is "Watch out world!" Go out there and kick some butt! Just remember that we will ways be here for you. Congratulations on this special time of life. We wish you all the best life has to offer!

We love you always, Dad, Mom & Steph

My dearest Heather,

How fast the years have gone by. I can still remember your first day of preschool and now you are a graduating senior, soon to be off to college. Much has happened during these years, and despite it you have worked extremely hard to get where you are now. Your extra effort and determination can be matched by no one, and that is what makes you special. I have enjoyed your choir and band activities, but more importantly I love you for the young woman you turned out to be. Remember you will always be my baby. Dad will always be there for you.

Love always, Dad

**2003**

Dear Kim,

It was tough enough handling your sister graduating and now here I am writing to my other little girl. It truly is hard for me to believe that you are graduating high school. You are so special in your own way and, yes, very special to me. Your independence and your persistence have been traits of yours throughout your life and they have brought you many successes and accomplishments. If ever you felt that I was being distant it was not from any lack of caring but from a greater love to be able to see my little girl achieve so much on her own. As a Dad it feels good to have that comfort inside that my little girl is going to make it in this world and that no one better mess with her. Of course, it's been these same traits of yours that have given me the gray hairs that I have. No doubt, there's been times that I've messed up, when I should have handled things differently. I apologize for those times. But no matter what, they were always driven by the love and concern that I have for you. Honey, I know how special it is for you to be graduating and I want you to know how proud I am of you and have always been. I know that you will reach your dreams. Just remember that I love you so very very much and that I will always be there for you. I'll be there in the shadows with my arms open for you. Congratulations on your graduation. I wish you happiness, peace and good fortune every day of your life.

Love,  
Dad

Kim,

Congratulations  
at this very special time of your life.  
You have made us proud  
over the years.  
Good luck in all that you do.  
May your every dream come true  
and your every wish be granted.  
Remember we will always be here  
for you.  
Happiness and peace always.

We Love You,  
Dad, Mom and Steph

To all of you from the Class of 2003  
that have graced our home over the years  
(and you know who you are),  
Thank you for the laughs that you brought  
into my life  
and the good times that we all enjoyed.  
Thank you also for the respect  
and the kindness and the caring  
that you always gave.  
I wish you the best of everything in life.  
Congratulations on your graduation.  
And remember, or home is always open for  
you!

All the best always,

As freshmen we met.  
A day we'll cherish,  
And never forget.

We were two individuals,  
Very different to start.  
But love pulled us together,  
Now we'll never be apart.

Three years have passed,  
We're still best friends.  
The memories and happiness,  
Will never end.

To the class of 2003,  
Graduation is here.

**BEST WISHES CLASS OF 2003!**

**Dear Kevin,**

**It only seems like a week has passed between taking these two pictures, but it seems like a century has passed watching you mature with all of your accomplishments. At one point you were in Cub Scouts competing in the Pinewood Derby with no cares in the world, and next you were out earning three Varsity letters in soccer, indoor track and outdoor track while getting good grades and preparing yourself for college.**

**Sports were always very important to you and you always gave 100%. Teamwork was always on the top of your list. Throughout the years we loved watching you play in the Rec. soccer, basketball and baseball leagues, and also your four years of CYO basketball, your "Lightning" and Jr. Hornets soccer, and the traveling baseball. You left us with a lot of great memories in watching you play your heart out.**

**Sports and teamwork were not the only things that helped you to grow, but politics in sports, something that you learned at an early age, also helped you mature. This gave you an understanding of people and what you would have to endure throughout your life.**

**Your love and respect for your family and elders have helped build character in you. You have always kept God strong in heart and in everything you do. Kristina will definitely miss your presence in school, but she knows her big brother will always be there for her. Carissa,

You were six months old and full of fun.

With a blink of our eyes, you were suddenly one.

There were so many things we were going to do,

But we turned our heads and you turned two.

At two you were very dependent on me,

But independence took over when you turned three.

Your third birthday, another year I tried to ignore,

But when I lite the candles there weren't three but four.

Four was the year that you really strived.

Why, look at you now, you're already five.

Now you are ready for books and for rules.

This is the year you go to school.

The big day came, you were anxious to go.

We walked to school going oh, so slow.

As you waved goodbye,

I felt a lump in my throat and tears stung my eyes.

Time goes so fast, it's hard to believe

That just yesterday you were home here with me.

These precious moments will live in our hearts,

Whether were close or far apart.

You have made us so proud of you, Dare to dream.

Broadway Bound
